### TERMS AND CONDITIONS OF BREEDING CONTRACT

This agreement is made between Curtis W. Watson (hereinafter referred to as the stallion owner), and the mare owner or agent described above and is subject to the following terms and conditions.

1. The 2026 breeding fee is \$850. A \$250 non-refundable booking fee is required to execute the contract, and the \$600 balance must be paid before 1<sup>st</sup> semen shipment.
2. Brightstone Ranch handles all breeding services and a separate contract with Brightstone Ranch is required<sup>1</sup>.
3. Stallion owner shall release AQHA or APHA stallion certificate once all fees to both stallion owner and Brightstone Ranch LLC are paid in full.
4. FK Snow Camo 5 panel test results confirm he is negative (N/N) for HERDA, HYPP, MH, PSSM1; and a GBED carrier (N/G). Meaning that FK Snow Camo carries one normal gene and one GBED gene. The mare owner acknowledges FK Snow Camo 5 panel test result. Five panel Test Results \_\_\_\_\_ **Mare Owner Initial.**
5. In the event the above mare fails to produce a live foal from the breeding privilege granted herein, mare owner may request a rebreeding contract for the same mare, or a substitute mare. Rebreeding contracts require \$250.00 booking fee.
  - a. A live foal is defined as a foal that stands alone, nurses and lives past 24 hours. If the foal is born dead or dies within 24 hours, this guarantee applies if the mare owner:
    - i. notifies the stallion owner within 72 hours after the time the mare did not produce a live foal, and
    - ii. within 10 days after the mare owners notice, the mare owner provides the stallion owner with a statement from a licensed veterinarian substantiating the failure of the mare to produce a live foal.
    - iii. provides evidence the mare is GBED negative (N/N).
6. FK Snow Camo is a perlino AQHA stallion and is homozygous for the cream gene (Cr/Cr). FK Snow Camo also carries two copies of the black pigment Agouti gene (A/A) restricting black to points. FK Snow Camo has both black and red factors (E/e).
  - a. Guaranteed color is defined as, FK Snow Camo shall pass a cream gene to any of his offspring. If any FK Snow Camo offspring is shown not to carry the cream gene, then stallion owner shall provide a zero-cost stallion fee rebreed. Farm cost and breeding fees are not included.
7. Regarding #5 and #6, if the mare owner fails to contact the stallion owner for rebreed the year immediately following, then the mare owner forfeits zero-cost stallion fee rebreeding and this contract is thereby terminated.
8. Mare owner agrees to have mare ultrasound 14-17 days after the last date of insemination and notify stallion agent of pregnancy status.

<sup>1</sup> Stallion Owner will select an alternate breeding facility should Brightstone Ranch become unavailable.

9. Mare owner may not assign this breeding contract or substitute any other mare under this agreement without the prior written consent of the stallion owner. Any attempted assignment without prior consent of stallion owner will, at the option of stallion owner, terminate this agreement and release stallion owner for all obligations hereunder.
10. It is understood that if the above stallion dies or becomes unfit for service in the initial year of this contract, then this contract shall become null and void and the breeding fee less booking fee shall be refunded to the mare owner.
11. Embryo transfers: mare owner agrees to notify stallion owner that this is an embryo transfer breeding. In the event multiple viable embryos are produced from a single flush, mare owner agrees to pay an additional breeding fee for each additional live foal.
12. By signing this contract, mare owner certifies that he/she is sole owner of the above-mentioned mare, or has authority to enter into this contract on behalf of the owner.
13. The undersigned agrees that neither the stallion owner nor Brightstone Ranch and their staff will not be held responsible for accident, injury, sickness, or death to the mare/foal whether from fire, flood, theft, act of God, or negligence by Brightstone Ranch or its staff. The undersigned agrees to and shall indemnify and hold harmless stallion owner, Brightstone Ranch and staff from and against any and all claims, losses, damages, causes of actions, suits and liability of any kind including expenses of litigation, court costs, and attorney fees, for injury to, or the death of the mare/foal, or for any damage to the mare/foal arising out of, or in connection with, the services performed by Brightstone Ranch and its staff under this contract, regardless of whether such injuries, death or damages are caused in whole or in part of negligence of stallion owner, Brightstone Ranch or its staff
14. Please initial #4 acknowledging five panel test results.
15. A photocopy of mare's registration papers must be furnished with this contract.
16. Curtis Watson shall sign contract. Then return copy to the mare owner and forward a copy to Brightstone Ranch.
